Improve productivity and reduce costs!!

Those of us in business understand how important it is to have the right tools, but usually the cost is prohibitive. Here is one tool that can deliver, Google Apps™. Google apps™ can provide you with all the functionality of MS Exchange™ at a fraction of the cost and all your information is available where ever you are.

Highlights

- Your Domain name eg. john@yourdomain.com.au
- Personal calendars, share calendars and group calendars
- Delegate calendars, tasks and email access
- 25Gb of storage per user
- Google's Anti Virus and SPAM filtering
- Collect email through MS Outlook™ or the Web
- Mobile email, calendar and tasks syncing

This is a very powerful and flexible service that will save you \$\$\$ and drive your business. Check out this great tool which shows the savings available by using [Google Apps™](#)

To find out more contact us [NOW!](#) We use it in-house and highly recommend it.

Plan for the Downtime

Christmas is nearly here, now is the time to think about what you need to do with your infrastructure. The Christmas period is a great time to do those things that require down time for your systems, so you can start your new year in the best possible shape.

Talk to us now and we can work around your schedule. If you want to setup a plan then contact us [NOW!](#)

I wish you all a very Merry Christmas and Prosperous New Year and we look forward to assisting you more.

All the best from [Networks Now](#)
